# World Famous Prof Questions The Holocaust

Richard Lynn  
Professor Emeritus,  
University of Ulster  
12-5-5

I've checked out Churchill's Second World War and the statement is quite correct - not a single mention of Nazi "gas chambers," a "genocide" of the Jews, or of "six million" Jewish victims of the war.

This is astonishing. How can it be explained?

Eisenhower's Crusade in Europe is a book of 559 pages; the six volumes of Churchill's Second World War total 4,448 pages; and de Gaulle's three-volume Mémoires de guerre is 2,054 pages. In this mass of writing, which altogether totals 7,061 pages (not including the introductory parts), published from 1948 to 1959, one will find no mention either of Nazi "gas chambers," a "genocide" of the Jews, or of "six million" Jewish victims of the war.
